31.MARGARET BONNETT 7.SAMUEL BONNETT 1.JOHN BONNETT

Margaret Bonnett, a daughter of Samuel and Mary Elizabeth (Lorentz) Bonnett, was born about 1757 and was killed by marauding Indians led by Tecumseh in present day Preston County WV May 7, 1792. She married John (Johannes) Waggoner in Hampshire County VA in 1778. John, a son of Wilhelm and Agnesa Waggoner, was born in Philadelphia County PA November 24, 1751 and died in Lewis County VA about 1742, when his will was probated in that county.

When the Indians raided the Waggoner cabin, John was working in a field. Tecumseh fired at him but missed. John was unarmed and ran to his cabin for a gun, but saw Indians in possession and ran to a neighbor's for help. The Indians killed one child at the cabin and carried off Margaret, 13 year old Elizabeth, 12 year old Mary, six year old Peter and three unidentified children. Margaret and the three unidentified children were killed about a mile from the cabin and Elizabeth, Mary and Peter carried beyond the Ohio River.

John married Susannah Richards February 19, 1799. Susannah born about 1782 and probably died before 1840. She was not mentioned in John's will, which was dated 1840. She was a ward of John Runyon when she was married and was probably a daughter of either Arnold or Paul Richards, both of whom were killed by Indians in August 1782.
